

TINATIN ASADOVA

HEAD OF INTERNAL OPERATIONAL CONTROL DIVISION

Baku, Azerbaijan • +994 70 271-00-87 • aliyeva.tinatin@yahoo.com

PROFILE

Results-driven banking professional with nearly 15 years of experience in retail finance, specializing in internal controls, risk management, and digital transformation. Demonstrated expertise in regulatory compliance, optimization of risk and control frameworks, and preparation of management and regulatory reports. Proven ability to drive sustainable growth while ensuring operational efficiency and full compliance..

PROFESSIONAL EXPERIENCE

Head of Operational Control, KapitalBank

11/2020- present

- Management and oversight of enterprise-wide risk monitoring across all recorded risk types, ensuring timely identification of emerging threats and prevention of their escalation.
- Control and assurance over system availability KPIs, ensuring accessibility and resilience of critical bank platforms.
- Implementation of automated control checkpoints across critical processes to mitigate key risk indicators in real time.
- Strengthening first-line control accountability, verifying branch control execution and effectiveness through structured monitoring.
- Development and governance of first-line control checklists, with monthly performance tracking and remediation follow-up.
- Maintenance of enterprise risk registers with monthly issue reporting, stakeholder communication, aligned action plans, and remediation tracking.
- Cross-line coordination, ensuring effective collaboration and risk intelligence flow between 1LOD, 2LOD, and 3LOD assurance functions.
- Establishment of control over newly developed products within deadlines, including implementation of automated control mechanisms.
- Reporting monthly on the status of checklists and risks to the Management Board.
